Dear Ms. Thompson:

This is to confirm our telephone conversation of December 10, 1984 wherein I explained to you that your Section 104 request for information, dated November 26, 1984, was received by Chevron U.S.A. Inc. for the first time on December 10th. As mentioned, this request was initially mailed to a New York City address at which Chevron U.S.A. Inc. does not maintain an office, and that all further communication on this matter should be sent to Chevron at the above address.

Accordingly, you agreed that the 14 day response period would commence on December 10, 1984 and that extensions would be granted as necessary to collect and assemble the requested information and materials. As you suggested, requests for such extensions should be directed to you on an informal basis by telephone. This will also confirm that the period covered by this request is the same as mentioned in the Administrative Order of December 4, 1984, namely, April 1975 to July 1980.

Thank you for your cooperation in this matter.

Very truly yours,

Thomas P. Grace
